

# SCHEDULE 3: PRACTICAL, CLINICAL AND PROFESSIONAL COURSES WITH FITNESS TO PRACTICE REQUIREMENTS

## 1 PURPOSE

This Schedule supports implementation of the Academic Progression [Policy](#).

## 2 SCHEDULE

This Schedule lists the practical, clinical and professional courses of study with embedded placements and/or registration, accreditation or other mandated requirements. These programs have practical components designed to enable the application and assessment of skills and knowledge in a practical, clinical or professional setting, and to meet Fitness to Practice requirements. This Schedule allows for units including some PACE units, which may also have specific placement requirements.
