OFFICIAL ACADEMIC TRANSCRIPT

(18) The academic transcript is the official, complete and certified record of a student's academic achievements.

(19) The academic transcript lists the student's legal name, student identification number, the units and courses/programs a student has enrolled in and all units they have attempted, credit points for each unit, the grades received (including reference to the grading system), and the Weighted Average Mark (WAM) or Grade Point Average (GPA) for units studied under the course/program².

(20) If applicable, the academic transcript also lists the Degree/Diploma awarded, streams, specialisations, majors, participation in the Global Leadership Program (GLP), exchange programs, and the award of scholarships and prizes including the University Medal, the Vice Chancellor's Commendation for Academic Excellence (prior to 14 December 2017), the Macquarie University Award for Academic Excellence (from 14 December 2017), or the Macquarie University International College Award for Academic Excellence (prior to 31 December 2021) or the Macquarie University College Award for Academic Excellence (from 1 January 2022).

(21) An official transcript is always printed on secured University paper, and may be obtained in hard copy from the University, or digitally on My eEquals, the official platform for Australian and New Zealand tertiary education providers (www.myequals.edu.au).

(22) Recognition of prior learning credits granted may also be listed as specified or unspecified credit.

² A Weighted Average Mark / Grade Point Average is not included if a student transfers to a different course/program prior to qualification and has not studied any units under the new admission.

(23) The academic transcript will also include language of instruction if in a language other than English.

(24) Students will receive their Academic Transcript upon graduation. Further copies can be obtained by following the advice available on the [University website](#).

UNOFFICIAL INTERNAL ACADEMIC TRANSCRIPT

(25) Current students may obtain an unofficial academic transcript through eStudent, which provides a function for the unofficial academic transcript to be sent to the student's University email account.

(26) Former students may also request an unofficial academic transcript through Service Connect. These will generally be emailed, and will not be printed on secured paper.

(27) An unofficial academic transcript has the same content as an official transcript as well as any units and courses/programs a student is currently enrolled in, a watermark 'Unofficial Transcript' and administrative information including the Recognition of Prior Learning (RPL) applied to the degree, Academic Senate approval of Individual Savings or Deeming cases, outcomes of academic appeals, outcomes of disciplinary actions, academic progression and "expected to complete" information.

AUSTRALIAN HIGHER EDUCATION GRADUATION STATEMENT (AHEGS)

(28) The AHEGS is provided by Australian higher education institutions to graduating students on completion of the requirements for an Australian Qualification Framework (AQF) compliant higher education award. It is designed to:

- assist both national and international recognition of Australian qualifications
- promote international mobility and professional recognition of graduates.

(29) The AHEGS issued by Macquarie University complies with Australian Government Guidelines for the Presentation of the Australian Higher Education Graduation Statement and the University's AHEGS [Policy](#).
