

Non-Participation in the Immunisation Program form - Informed decision

This form is to be used by for workers employed in an existing Category A position (as defined in the Health NSW, Risk Categorisation Guide) at the release of the revised Immunisation policy and procedure. Workers employed in existing positions must be assessed as compliant against the policy or acknowledge in writing that they decline to participate in the immunisation program namely, assessment, screening and /or vaccination as laid out in the MQ Immunisation policy and procedure.

Section to be read and completed by staff member I have read and understand the immunisation policy and procedure. I have also read the Health NSW Specified Infectious Diseases: Risks and Consequences of Exposure document and the link embedded fact sheets in the document I decline to participate in: (tick box for specific disease(s) vaccination as applicable) □ Assessment and/or vaccination for diphtheria/ tetanus/pertussis (dTpa) □ Assessment and/or vaccination for hepatitis B □ Assessment and/or vaccination for measles/mumps/rubella (MMR) □ Assessment and/or vaccination for varicella (chicken pox) □ Vaccination for influenza (Category A high risk only) □ Assessment and/or screening for tuberculosis I am aware of the potential risk to myself and/or others that my non-participation in assessment, screening and/or vaccination, as part of the MQ Immunisation program, may pose. I am aware that non-participation will require my employer to either manage me as unprotected or unscreened and may lead to reassignment or termination of my employment if reassignment to a non-high-risk position is not feasible. I understand that this health-related information will only be disclosed for the primary purpose and will be held by the Macquarie University Health Monitoring Advisor who I can contact at screeningandimmunisation@mq.edu.au regarding any issues or concerns.
