

Honorary award nomination form

MACQUARIE
University

An honorary degree, or degree honoris causa, is an academic degree for which a university has waived the usual academic requirements, such as study and examinations. The degree is conferred as a way of honouring an exceptional achievement or contribution in relation to a particular field or discipline, and/or to the University and society. Honorary awards are identified by the inclusion of 'Hon' in the post-nominals.

All staff are welcome to submit nominations for consideration by the Honorary Awards Committee. You should discuss your nomination with your Head of Department or Executive Dean, who will submit it on your behalf. We also recommend that you read the [Honorary Degree Policy](#) and [Procedure](#) documents before submitting your nomination.

These are available on [Policy Central](#).

PLEASE SAVE A COPY OF THIS FORM TO YOUR COMPUTER BEFORE COMPLETING THE FIELDS. DATA ENTERED INTO THE WEB VERSION WILL NOT BE SAVED.
