

# International withdrawal and release request

This form should only be used for international students who have not commenced or have not completed the first 6 months of their principal course, and wish to withdraw from Macquarie University. Please use block letters.

If you have not completed six months of study in your principal course at Macquarie University, or if you are studying at the Macquarie University English Language Centre (ELC), it is important to book an appointment with your student adviser prior to withdrawing from your units or ELC program. If you wish to withdraw from units only, visit [ask.mq.edu.au](http://ask.mq.edu.au) 'Reduce Study Load'. If you are seeking release from Macquarie University, read the information on the back of the form. A release is not automatically granted.

## Application for a release

Standard 7 of the National Code of Practice for Providers of Education and Training to Overseas Students (2018) states that you must apply for release if you want to study with another provider in Australia prior to completing the first six months of study in your principal course. Students in this situation should not accept an offer at another institution unless Macquarie University has granted release. See the University's transfer and release conditions.

---

Approval of release is not required if, the student:

- has been studying in their Principal Course for more than six months; or
- does not meet the conditions of their letter of offer and therefore cannot commence their Course at the University and a suitable alternative Course at the University is not available; or
- wishes to discontinue studying at the University and intends to return to their home country; or
- is holding any other kind of temporary residence visa, that is not subject to the National Code; or
- is an Australian Government Sponsored student (not subject to the ESOS Act) and the sponsor supports the transfer.

Release request process:

- Allow 10 working days for your application to be processed.
- You will be notified of the outcome in writing (to the email address entered on this form).
- If you are a current student and you are granted a release, you will need to withdraw from your units through eStudent.
- Your CoE will be cancelled and you should contact the Department of Home Affairs to find out if you require a new visa.

## Fee refund (if applicable)

Please read the International Fee Refund Policy carefully to determine your eligibility for a refund before completing this section.

The processing time for a refund is 4 weeks from the date the fully completed application and all supporting documentation is received. Incomplete or incorrect forms, or insufficient supporting documentation, may cause processing delays in the payment process.

If your release request is not granted, your refund will not be processed automatically until your withdrawal is finalized.
