Section 3 - Procedures

Part A - Withdrawal

(6) Students may withdraw from one or more units in which they are enrolled.

(7) Withdrawing from a unit will have different impacts depending on the date that the student withdraws or is withdrawn. These impacts are shown in Table 1.

Where Withdrawal Occurs:	Impact on Academic Record:	Impact on Financial Obligations:
Before Census date	Unit/s will not appear on the student's academic record or official academic transcript.	Student will not incur tuition fees or student contribution amounts for the unit/s and may be eligible for an adjustment to the Student Services and Amenities Fee.
After the Census Date and on or before the Last Date to Withdraw Without Fail	Unit/s will be recorded on the student's academic record and official academic transcript as W grade. The W grade means no academic penalty only.	Student will incur tuition fees, student contribution amounts, and/or Student Services and Amenities Fee.
After the Last Date to Withdraw Without Fail	Unit/s will be recorded on the student's academic record and official academic transcript as a 'F' Fail.	Students who are approved for withdrawal without financial penalty will remain liable for Student Services and Amenities Fee.

Withdrawal by a student from a unit

(8) An enrolled student may withdraw from a unit. The date of withdrawal from a unit will be:

- the date that a student withdraws from the unit online via the online enrolment system ([eStudent](#)); or
- in exceptional and approved circumstances where a student is unable to Withdraw via the online enrolment system ([eStudent](#)), the date that the University receives written notification via [AskMQ](#) of the student's request to withdraw. The student must apply prior to the relevant Census / withdrawal dates for that study period and will need to specify in writing why it was not possible to withdraw via the online enrolment system.

Withdrawing from all units

(9) A student is not effectively enrolled if they withdraw from all enrolled units in a standard study period before the Census Date. Students who are not effectively enrolled must apply for Leave of Absence or Suspension of Study as specified in the Leave of Absence and Suspension of Studies Procedure.

(10) International students who have, or would ordinarily require, a student visa who are experiencing academic difficulties or compassionate or compelling circumstances may be eligible to reduce their study load, which can be requested by submitting the reduce study load form via [AskMQ](#).

(11) International students who have, or would ordinarily require, a student visa may incur fees for withdrawals, as explained in the Letter of Offer and the [International Fee Refund Policy](#).
