Handling concerns about Misconduct

Assessment of reports

(11) When concerns are received, the Registrar will assess available information to determine:

- a. whether the concern is within the scope of this Procedure;
- b. the level of seriousness; and
- c. whether the concern should be handled under an alternative policy or procedure.

(12) Following the assessment process specified in clause 11, the Registrar may do one or more of the following:

- a. take no further action;
- b. make further inquiries;
- c. refer the matter to another process;
- d. handle the concern informally with the student as set out in clauses 16 and 17;
- e. implement measures in accordance with Part E;
- f. refer the concern for investigation as an Allegation of Misconduct in accordance with Part B; or
- g. refer the matter to the Student Conduct Committee as an Allegation of Misconduct to be dealt with in accordance with Part C.

(13) If the Registrar decides to take no further action, the person raising the concern may be notified of the decision.

Notification of a Misconduct Report

(14) If the Registrar determines to deal with the matter as an Allegation of Misconduct under clause 12(f)-(g), they must:

- a. notify the student of the Misconduct Allegation;
- b. provide details outlining the basis for the concerns and available evidence where practicable;
- c. inform the student of the procedure for handling the Allegation (including any potential penalties that may be applied); and
- d. invite the student to make submissions in writing in response to the Allegation, including any submission as to outcome, within the time frame specified in the notice.

(15) The Registrar may delay notifying a student of the Allegation if they consider that it is appropriate to do so.

Informal Handling of Misconduct Report

(16) Following receipt of any response provided by the student under clause 14(d) or following expiration of the time

allowed for a response, the Registrar may:

- a. dismiss the concern; or
- b. if the student admits to the behaviour that is the subject of the concern:
 - i. where the Registrar considers that the concern may result in an outcome of suspension or exclusion from studies, refer the matter to a Student Conduct Committee for a decision; or
 - ii. apply any of the outcomes listed in clause 30(a)-(j) of this Procedure; or
- c. if the student does not admit to the behaviour which is the subject of the concern, refer the matter for investigation under Part B.

(17) When considering what outcomes should be applied under clause 16(b)(i), the Registrar will take into consideration any previous relevant disciplinary action taken against the student including any warnings given relating to similar behaviour, as well as any mitigating or aggravating circumstances.

Part B - Investigation of Misconduct Allegations

Investigation of Misconduct Allegations

(18) Where an investigation is initiated under Part A, the Registrar will appoint an investigator.

(19) The investigator will:

- a. inform the student that the concern will be managed as a Misconduct Allegation; and
- b. invite the student within a reasonable specified period to make submissions and to provide any evidence about the Allegation.

(20) The investigator may seek information or documentation about the Allegation, in writing or in person, from any person they consider may have information or documentation relevant to the Allegation.

(21) If additional information, documentation or concerns arise in the course of the investigation, the investigator will inform the student in writing of the nature of the additional information, documentation or concerns and invite submissions and/or evidence about them where required for procedural fairness.

Investigation Report

(22) The investigator will prepare a written report of their investigation and provide it to the Registrar.

(23) The investigation report will contain:

- a. findings of fact with reference to the Allegation, evidence and any other material on which those findings were based; and
- b. any recommendations of the investigator

(24) After receipt of the investigation report, the Registrar may:

- a. dismiss the Misconduct Allegation; or
- b. determine that the Misconduct Allegation is substantiated and determine the penalty to be applied; or
- c. where the Registrar considers that the matter may result in suspension or exclusion, refer the Misconduct Allegation, together with the investigation report, to a Student Conduct Committee for consideration and decision under Part C.

Part C - Student Conduct Committee

Establishment and findings

(25) The Registrar will convene a Student Conduct Committee to deal with a Misconduct Allegation referred to the Committee.

(26) The Student Conduct Committee will decide whether the findings of fact contained in the investigation report, or facts admitted by the Student under Part A constitute a breach of the [Student Code of Conduct](#) or [Academic Integrity Policy](#) and, if so, what penalties should apply.

(27) Before making its decision, the Student Conduct Committee will invite the student to make a submission verbally or in writing and may seek such further information as it considers necessary from the investigator or any other person.

(28) The Student Conduct Committee will notify the student of its decision within ten (10) business days of making the decision.

(29) In the event of a finding that a breach of a requirement of the [Student Code of Conduct](#) or [Academic Integrity Policy](#) has occurred, the student will be offered the opportunity to provide a submission regarding the penalty outcome.

(31) When considering what outcomes should be applied under clause 30 the Student Conduct Committee will take into consideration any previous relevant disciplinary action taken against the student including any warnings given relating to similar behaviour, and any mitigating or aggravating circumstances.

(32) Failure by a student to comply with a misconduct outcome whether that outcome is under this Part or otherwise may be misconduct.

(33) If an international student is suspended or excluded from studies the University will notify the [Department of Home Affairs](#) of the suspension or exclusion from studies as required by the [Education Services for Overseas Students Act 2000](#), and will inform the student that they should seek the advice of the [Department of Home Affairs](#) on the potential impact of suspension or exclusion on their visa status.

Part D - Appeals

Student Conduct Appeal Committee

(34) A student may appeal against a decision of the Student Conduct Committee or a decision of the Registrar under clause 24(b) on the following grounds:

- f. a finding or recommendation of an investigator, or the decision maker, was made without regard to the merits of the particular case;
- g. an investigator in making a finding or recommendation, or the decision maker in making the decision, did not follow the required procedure for doing so.

- b. be made in writing to the Registrar; and
- c. contain details of the basis for the appeal, identifying the relevant ground or grounds of appeal and providing any supporting information;
- d. contain the student's name, email address and student identification number; and
- e. be made only after the student is sent the decision on the final outcome.

(36) Within ten (10) business days of receipt of the appeal, the Registrar (who in the case of an appeal against a decision under clause 24(b) must not be the same person as the decision maker) will commence assessing the appeal and may:

- a. dismiss the appeal if satisfied that it is lacking in substance or has failed to identify one or more grounds for appeal listed in clause 34; or
- b. otherwise convene a Student Conduct Appeal Committee to consider the appeal. A student attending a meeting of the Committee may bring a support person (other than a legal practitioner).

(37) A Student Conduct Appeal Committee will consider the appeal and:

- a. dismiss the appeal; or
- b. uphold the appeal in whole or in part, and where in part, refer those upheld parts for reassessment by another decision-maker under this Procedure; or
- c. vary the misconduct outcome.

(38) Within ten (10) business days of the Student Conduct Appeal Committee making its decision, the Committee will notify the student in writing of:

 - iv. prevent harm to the reputation of the University.

- a. the Registrar may implement such measures as the Registrar considers are reasonably necessary to meet a requirement of the [Gender-based Violence Code](#) (including measures that require changes to the manner or time a student may attend any University premises or conduct any University activity, contact between students as part of any University activity, changes to the delivery of teaching and learning provided to a student by the University, or changes to Student Accommodation); and
- b. the Registrar may issue directions to a student for the purposes of implementing such measures required.

(41) Measures required by the Registrar in accordance with clause 40 must be considered on a case-by-case basis and be reasonable and proportionate in the circumstances.

(42) If the Registrar decides to suspend a student, ban a student from University premises, or implement measures to meet a requirement of the [Gender-based Violence Code](#), the Registrar will notify the student in writing of the decision with reasons for the decision.

(43) A decision to suspend or ban a student from University premises is not appealable.

(44) A decision to implement interim measures under this Part, including a decision to suspend a student or ban a student from University premises takes effect immediately.

(45) The Registrar may at any time revoke or vary a decision under this Part.

(46) An action taken against a Student under this Part does not prevent subsequent action against the student in respect of any misconduct and should not be interpreted as anticipating the outcome of any University or criminal investigation process.
