

Higher Degree Research Offsite Research - Continuing Procedure

Section 1 - Purpose

(1) This Procedure outlines the steps required to ensure approval is obtained for any Offsite Research (OSR) for an enrolled Higher Degree Research (HDR) candidate.

(2) To ensure all external and internal obligations are met for supervision and candidature management, the University reserves the right to approve all research undertaken away from campus. These locations are referred to as Offsite Locations and may be in Australia or overseas but are subject to approval by the Principal Supervisor.

(3) Internal mode of attendance, as defined by the previous Department of Education, Employment and Workplace Relations (DEEWR), includes the situation where a student is undertaking a higher degree unit of study for which regular attendance is not required, but where the student attends the University on an agreed schedule for the purposes of supervision and / or instruction.

(4) Internal mode of attendance for HDR enrolment at Macquarie University:

- a. is recorded (except for designated distance programs such as the Doctor of Professional Communication and the Doctor of Applied Linguistics);
- b. requires that a candidate and supervisor will meet or have frequent contact, which may be online, on an agreed schedule during candidature;
- c. requires that HDR candidates remain enrolled while undertaking research related to their candidature; and
- d. does not describe the physical location of the candidate.
