Continuing and Fixed-term Staff Members

(10) Payment in lieu of untaken annual leave will be made to the:

Taking annual leave

(12) An application for annual leave must be submitted to cover the staff member's absence and will normally be requested and approved in advance. A supervisor, however, may approve a retrospective application for annual leave.

(13) Academic staff members are required to take a minimum of four (4) weeks annual leave (or the full amount of leave credited to the staff member if it is less than four (4) weeks) during the calendar year.

(14) Professional staff members are expected to take a minimum of four (4) weeks annual leave (or the full amount of leave credited to the staff member if it is less than four (4) weeks) during the calendar year.

(15) Notwithstanding the above, a staff member (academic or professional) may apply to their supervisor to defer taking leave to enable accrual to a maximum of 10 weeks for professional staff and eight weeks for academic staff. All deferral requests will identify dates of when the leave will be taken.

(16) Approval of annual leave will be at the discretion of a supervisor who will consider the:

- a. operational requirements of the work area; and
- b. personal circumstances of the staff member.

(17) A supervisor will organise workloads to ensure that each staff member has the opportunity to take annual leave in an unbroken period at a mutually convenient time.

(18) A supervisor will not be unreasonable in refusing an application for annual leave. Where a supervisor declines an application for leave, the supervisor will negotiate an alternative period of annual leave with the staff member.

(19) Approved annual leave may be taken for periods of one (1) hour or more.

Fixed-term Staff Member

(20) Fixed-term staff members, where practicable, are required to take their accrued annual leave prior to the end of their employment contract.

(22) The University may direct a staff member to take leave if they have accumulated seven (7) weeks or more of annual leave. All requests will be with three (3) months written notice.

(23) Academic staff members may be directed to take up to 350 hours / 10 weeks of annual leave. Professional staff will not be required to reduce their leave balance below 140 hours / four (4) weeks of annual leave.

Payment

(25) A staff member must be paid at least the full amount that would have been payable to the staff member had the staff member taken the foregone leave.

Approval

Re-crediting Annual Leave

(27) Where a staff member becomes ill, injured or incapacitated during annual leave they may, in accordance with the [Leave - Personal Leave Policy](#) and on the production of supporting documentation, take Personal Leave for the period of their illness or incapacity. (28) Annual leave will not be re-credited where the staff member:

- a. has not complied with the [Leave - Personal Leave Policy](#) with respect to notification; or
- b. is on leave immediately prior to termination of employment.

(41) When a period (or periods) of leave without pay exceeds in aggregate 15 working days for full-time staff members (pro-rata for part-time staff members), the period of absence from duty will not be counted as service for the accrual of annual leave.
