(18) Paid sick leave is not available if a staff member is receiving workers' compensation payments in respect of their absence.

(19) Where a staff member becomes ill, injured or incapacitated whilst on a period of annual leave, the staff member will be entitled to payment of personal leave in accordance with the University's [Leave - Annual Leave Policy](#).

(26) In ordinary circumstances, personal leave will be limited to one (1) day unless a staff member can demonstrate a genuine need for leave in excess of the one (1) day entitlement.

(27) Staff members are expected to provide reasonable notice to their supervisor.

Community Volunteering

(28) The University will support a continuing staff member's participation in volunteer activities with authorised organisations and groups in the community by:

- a. providing up to two (2) days of Paid Personal Leave each calendar year; and
- b. working in collaboration with authorised organisations and groups in the community to ensure that volunteering projects are meaningful and productive for both parties.

(29) Leave taken under this category will be deducted from the staff member's personal leave balance.

(30) To assist with organisational demands, staff members are required to discuss with their supervisor their intentions for accessing volunteer leave. The community volunteering activity must fall on a work day.

Public Holidays

(31) Public holidays will be paid where they fall within a period of approved personal leave.

Supporting Documentation

(32) A supervisor is entitled to request supporting documentation that would substantiate the reason for the absence.

(33) A staff member is required to provide supporting documentation for absences as follows:

- a. Medical Certificate - A staff member applying for personal leave in excess of four (4) working days will be required to provide a medical certificate or other supporting documentation to justify the absence. Where the medical certificate states that the staff member is unfit to perform their duties, the University will consider and where reasonably appropriate act on the medical advice relating to the staff member's illness, injury or incapacity for the prescribed period.
- b. Early Return to Work - Where a staff member is able to return to duties before the date specified by the medical advice, the staff member may be required to provide medical evidence that they are fit to return to duties. In the absence of such advice, the staff member will be granted personal leave for the full period.
- c. Community Volunteering - A supervisor may request supporting documentation from a staff member.

(34) A staff member is not entitled to personal leave if they fail to provide supporting documentation (when requested) that would satisfy a reasonable person. In this instance, the absence will be classified as leave without pay unless the staff member applies for, and is granted, an alternative form of leave.

(35) The University reserves the right to require supporting documentation additional to that which is defined within this Policy.

Medical Appointments

(36) Personal leave is not to be used for routine or scheduled medical appointments for a staff member or a Family Member. The only exception is where the medical appointment is directly related to a staff member's absence due to illness, injury or incapacity.

Special Leave

(38) The granting of Special Leave is at the absolute discretion of the University and is only available after all other paid leave is exhausted. Any exception will require the approval of the Executive Dean / Head of Office.

(39) Special leave will be granted for a maximum period of four (4) weeks at any one time and requires the approval of the Director, Human Resources.

(40) Supervisors are required to assist staff members by:

(44) It is expected that a staff member will have exhausted all available paid leave entitlements, before applying for leave without pay.

(45) Public holidays will not be paid where they fall within a period of approved leave without pay.

Continuity of Service

(46) All paid leave will count as service for the purpose of leave accrual, length of service and incremental progression.

(47) When a period (or periods) of leave without pay exceeds in aggregate fifteen (15) working days for full-time staff members (pro-rata for part-time staff members), the increment date will be delayed by a period equivalent to the whole period of leave without pay.

(48) When a period (or periods) of leave without pay exceeds in aggregate fifteen (15) working days for full-time staff members (pro-rata for part-time staff members) in any calendar year, the period of absence from duty will not be counted as service for the accrual of annual leave in that period. Entitlements to annual leave loading will be adjusted in the same way.

(49) When a period (or periods) of leave without pay exceeds an aggregate of six (6) months, the excess over six (6) months will not be counted as service in determining the total service for long service leave purposes.

Excessive Absenteeism

(50) The University will manage personal leave in a fair manner that takes into account the circumstances of a staff member's absences.

Reasonable Accommodation

(51) The University may consider reasonable accommodation for a staff member's incapacity due to personal circumstances. This will be done in consultation with the staff member, their supervisor and the treating medical practitioner(s).

(52) Arrangements for reasonable accommodation are intended to facilitate a safe and durable return to full duties and will be offered on a temporary basis only.
