(13) The Faculty/College Board will monitor the progress of actions planned to improve units with identified issues.

(14) Faculty or the College Authorities are responsible for ensuring adequate monitoring of units and review of Grades is undertaken at the end of every study period in which units are offered, through a meeting or schedule of meetings. (15) The final Grades for all units will be reviewed during these meetings and recommended to the Faculty/College Board (as relevant) for ratification.

(16) Where required to support the monitoring of a group of units within a course, course component or other appropriate grouping, the relevant authority, as determined by the Faculty or College Authority will complete the [Unit Group Monitoring Report \(Form B\)](#) and submit it to the Faculty/College Board (as relevant).
