(39) Meetings of the Academic Senate or a Committee may be held using video/teleconferencing technology where determined by the Chair.

(40) The Chair of the Academic Senate / Chair of a Committee may adjourn a meeting of the Academic Senate/the Committee in appropriate circumstances (for example, lack of a quorum).

(41) The Chair will not adjourn a meeting of the Academic Senate /Committee to prevent a recommended resolution or amendment being put without the approval of two-thirds of the members present at the meeting. This discretion does not limit any other powers of the Chair to adjourn a meeting.

(42) When a meeting is adjourned no further business will be dealt with and any business left unfinished will be carried over to the next meeting.

(43) The Chair of the Academic Senate / Chair of a Committee may cancel an ordinary or adjourned meeting of the Academic Senate /the Committee any time in between meetings, if the Chair is of the opinion that there is insufficient business to warrant the holding of the meeting. The Chair will also determine how business that would have been transacted at the cancelled meeting will be dealt with, in the manner set out in clause 57.

(44) Meetings of the Academic Senate and Committees of the Academic Senate will be open to members of the University, that is, staff, students and graduates. Members of the University may attend meetings as observers and will be admitted subject to the availability of space. The Chair may determine that where meetings are held using video / teleconferencing technology, observers may not be admitted for practical reasons.

(45) The dates of meetings of the Academic Senate, and Committees of Academic Senate, will be published in the [Calendar of Governance](#) and on the Academic Senate website.

(46) Members of the University who intend to attend a meeting of the Academic Senate or Committee of the Academic Senate must inform Governance Services of their intention at least two business days prior to the meeting.

(49) Observers at meetings of the Academic Senate or the Committee will be excluded from the meeting when confidential agenda items are discussed. If a confidential item emerges in the course of discussion, observers will be requested to leave for the duration of that discussion.

Part F - Quorum and Attendance

(50) It is incumbent on members to attend meetings of the Academic Senate or the Committee unless absent on approved leave from the University or otherwise prevented from attending.

(51) The number of members who constitute a quorum must be half the membership plus one as set out at clause 35 of the [Academic Senate Rule](#). The same rule for calculating the meeting quorum will apply to Committees.

(52) Vacant positions on the Academic Senate or the Committee do not count toward the calculation of the number required for a quorum.

(53) Members unable to attend meetings of the Academic Senate or the Committee will not be entitled to a proxy.

(54) Formal attendance and voting via video link or other technology approved by the Chair will be permitted and will be included in the determination of a quorum.

(55) If a quorum is not reached within 15 minutes of the scheduled start of a meeting, the Chair may adjourn the meeting.

(56) If no quorum is present, the session can proceed at the Chair's request and with the endorsement of the members who are present. Items of business can be discussed but no formal decisions can be made and the inquorate session is recorded as notes.

(57) Items of business discussed at an inquorate session may be sent to members out of session for approval by circular resolution.

(58) In the instance where sufficient members join the meeting (part way through an inquorate session) such that a quorum is achieved, the members present may choose to resolve to approve and accept all the items discussed during the inquorate session. Such items would then be considered resolutions of the now formal meeting.

(59) Where an inquorate session does not proceed as outlined above, the Chair will determine how business will be dealt with, which may include:

- a. through out of session business;
- b. at the next meeting of the Academic Senate or the Committee; or
- c. for no further consideration.

(60) Should a meeting become inquorate after commencement due to a member(s) leaving, the Chair may adjourn the meeting for five minutes. If at the expiration of five minutes a quorum is still not present, the Chair may adjourn the meeting and / or deal with the remaining business as noted in clause 57.

Part G - Absence from Meetings

(61) Governance Services will monitor absences and apologies submitted by members who are unable to attend a meeting of the Academic Senate or its Committees. The receipt of an apology does not imply the consent of the Chair to grant a leave of absence to the member.

(62) The Chair, at their discretion, may grant a member leave of absence for one or more meetings. Members must seek leave in writing and in advance giving reasons for the proposed leave of absence.

(63) Elected or appointed members of the Academic Senate who absent themselves from three consecutive meetings without leave of absence being granted, will be deemed to have vacated office, as set out in clause 26(e) of the [Academic Senate Rule](#).

(64) Appointed members of a Committee of the Academic Senate who absent themselves from three consecutive meetings, without leave being granted, will be deemed to have vacated office.

(65) Ex-officio members of the Academic Senate or a Committee of the Academic Senate who absent themselves from three consecutive meetings without leave of absence being granted, will have their membership suspended for a period of no less than one year, as determined by the Chair of Academic Senate. The Chair, in consultation with the Academic Senate Standing Committee, will determine a replacement for the suspended ex-officio member.

Part H - Agendas

(66) The Chair will approve the inclusion of any item on the agenda for a meeting of the Academic Senate / the Committee.

(67) The Secretary to the Academic Senate or the Governance Officer supporting a Committee of the Academic Senate will be appointed by the Director, Governance Services as set out in clause 34 of the [Academic Senate Rule](#).

(68) The Secretary / relevant Governance Officer will ensure the agenda for each meeting and supporting papers are circulated electronically to members six calendar days prior to the meeting.

Confidential matters or documents must be clearly marked on the agenda and on all associated documents.

(71) In exceptional circumstances, late or urgent items may be considered by the Academic Senate or the Committee via circular resolution, at the discretion of the Chair.

(72) The Chair will call for the starring of any unstarred items on the Academic Senate or the Committee meeting agenda at the commencement of the meeting. Agenda items may be starred by any member.

(74) At a meeting of the Academic Senate or a Committee, the agenda order may be varied by the Chair or on the vote of the members present.

(75) Academic Senate meeting agendas may include an item of Question Time. This item provides a point in the meeting for members to ask questions of the Chair, the Vice-Chancellor and the Deputy Vice-Chancellor (Academic) related to academic governance matters these persons have raised in their reports to the Academic

Senate.

Part I - Conflicts of Interest

(76) At each meeting of the Academic Senate or a Committee, the Chair will request members to declare any potential conflict of interest, either actual or perceived, in respect of any item on the agenda prior to this being discussed.

(77) The Academic Senate or the Committee will determine how declared conflicts will be managed.

(78) The Chair will stand aside as chair for an item on an Academic Senate or Committee meeting agenda where they have declared an actual or perceived conflict of interest. In such cases, the Deputy Chair will act as a temporary chair for discussion of the particular item. If the Deputy Chair also declares a conflict of interest to the item, the Academic Senate or the Committee will nominate another member to act as a temporary chair.

Part J - Questions on Notice

(79) Questions on notice will only be received from members of the Academic Senate and will only be accepted with the prior approval of the Chair. The following procedures apply to questions received on notice:

- d. the Chair may allow an address by the member who submitted the question and this will be limited to five minutes;
- e. any written paper to support the question on notice must be provided to the Chair at least two business days in advance of the meeting.

Part K - Recommended Resolutions and Rules of Debate

- c. require withdrawal of offensive statements or the imputation of improper motives;
- d. preserve order and prevent interference to speakers by private talks or heckling remarks;

(81) At any time prior to, or during, an Academic Senate or Committee meeting, the proposer or the Chair may withdraw a recommended resolution or agenda item. If this occurs during the meeting, the related debate will cease.

For meeting of Committees of the Academic Senate, matters may be put forward by any member or working party of the Committee, and must include the name of the person submitting the matter and the name of the person who approved the submission of the matter.

(85) The submitter of a matter will have the right to speak on the matter and any recommended resolution, prior to the Chair referring the matter for general debate.

(86) The Chair will generally not allow non-members or observers to speak to a matter.

(87) If an amendment to a recommended resolution is proposed and accepted by the submitter of the original recommended resolution, then the amended recommended resolution will become the substantive recommended resolution. If the submitter does not accept the amendment to the recommended resolution as proposed, the Academic Senate or Committee of the Academic Senate may still vote upon the amendment.

(88) Subject to clause 81, when an amendment is before the Chair, discussion will be confined to that amendment, and no further amendment shall be proposed until the amendment before the Chair has been dealt with.

(89) All amendments to recommended resolutions must be dealt with before the final substantive recommended resolution is put to members.

(90) With the exception of the Chair, those present at an Academic Senate or Committee of the Academic Senate meeting will not interrupt or interject when another member is speaking to a matter.

(91) Any member of the Academic Senate or a Committee of the Academic Senate may raise a point of order, which will take precedence over all other business and be open to discussion. The point must be raised at the time the alleged irregularity occurred and will be dealt with in the following manner:

- a. the Chair will make a ruling on a point of order; and
- b. any member of the Academic Senate or Committee of the Academic Senate disagreeing with the Chair's ruling on a point of order may move dissent. Part L - Method of Voting

(92) All recommended resolutions must be decided by the majority of the members present and voting at the meeting either by a show of hands or by online technology (in the case of a meeting held by video/teleconference). The Chair will have a deliberative vote and, in the case of an equality of votes, a casting vote. A formal tally of votes may be taken at the discretion of the Chair or on the request of two or more members.

(93) A formal ballot may be used only when it is required by an existing resolution of the Academic Senate or a Committee of the Academic Senate, or at the discretion of the Chair or when requested by at least 10 members of the Academic Senate or Committee of the Academic Senate. When a ballot is taken, it will be conducted in such form as the Chair may direct provided its secrecy is preserved.

(95) The draft minutes, once approved by the Chair, will be circulated to members normally within fourteen calendar days following the meeting.
