Fixed-term staff members are required to take their accrued annual leave prior to the end of their employment contract (where practicable). A staff member may apply to defer taking annual leave to enable accrual within maximum limits in accordance with the University [Enterprise Agreements](#).

(14) The timing of annual leave must be discussed in advance between the staff member and their Supervisor.

(15) Annual leave will usually be requested and approved in advance. A Supervisor may nonetheless approve a retrospective application for annual leave.

(16) Approval of annual leave will be at the discretion of the Supervisor who will consider the operational requirements of the work area and personal circumstances of the staff member.

(17) The Supervisor, wherever reasonable and practicable, must endeavour to organise workloads to ensure that all staff members have the opportunity to take annual leave in an unbroken period at a mutually convenient time.

(18) The Supervisor must not unreasonably refuse an application for annual leave. Where an application for annual leave is declined, the Supervisor should negotiate an alternative period of annual leave with the staff member.

(19) Approved annual leave may be taken for periods of one (1) hour or more.

### **Excess Accumulated Leave**

(20) Staff members and their Supervisors should work cooperatively to ensure that annual leave is taken regularly and to ensure that annual leave balances are kept within maximum limits as specified in the University [Enterprise Agreements](#).

(21) The University may direct a Senior Staff Member to take annual leave if they have more than eight (8) weeks accrued and untaken annual leave by providing at least four (4) weeks written notice.

### **Cashing out Annual Leave**

(23) A staff member may submit a written request to their Executive Dean or Head of Office to cash out an amount of annual leave.

(24) Approval of a cashing out request is at the absolute discretion of the Executive Dean or Head of Office and any approval must be in writing. No staff member will have more than one cashing out arrangement approved during the life of the relevant University Enterprise Agreement.

(25) The University [Enterprise Agreements](#) set out additional requirements for Academic and Professional Staff Members.

### **Re-crediting Annual Leave**
