

Academic Statements Policy

Section 1 - Purpose

(1) This Policy sets out the University's responsibilities concerning the issuing of [Australian Qualifications Framework](#) (AQF) qualifications, specifically requirements for the issuing of:

- a. Testamurs;
- b. Academic Transcripts (both official and unofficial); and
- c. Australian Higher Education Graduation Statements (AHEGS).

(2) This Policy also establishes criteria for the revocation, rescission, and relinquishment of awards.

(3) This Policy and the [Academic Statements Schedule](#) demonstrate Macquarie University's adherence to the relevant requirements of the [Australian Qualifications Framework](#), the [AQF Qualifications Issuance Policy](#), and the [Higher Education Standards Framework \(Threshold Standards\) 2021](#). Consistent with the [AQF Qualifications Issuance Policy](#), Macquarie University is committed to ensuring that academic statements are only awarded to students and graduates entitled to receive them, and are protected against fraudulent issuance. The University will only issue academic statements for qualifications that align with the [Australian Qualifications Framework](#).

Scope

(4) This Policy applies to all staff and students at all campuses and locations of the University. It applies to the issuing of documentation for students who have completed a course or program that leads to the award of an AQF qualification, or partial completion of an AQF qualification (Levels 5 to 10).

(5) This Policy does not cover the issuing of documentation relating to non-AQF awards, including:

- a. statements of learning activities e.g. documentation for non-award units, including Foundation and English language preparatory courses, microcredentials, workshops, study tours or professional development;
- b. Statements of Attainment;
- c. Completion Letters; or
- d. Honorary Awards – see the [Honorary Degree Policy](#).

Section 2 - Policy

Issuing of Academic Statements

(6) The University Council has authority to confer awards to eligible students in accordance with the provisions of the [Macquarie University Act and By-Law](#), [General Coursework Rules](#), [Graduate Research Rules](#), and [Higher Doctoral Degree Rules](#).

(7) The Registrar determines whether requirements for a coursework degree have been satisfied while the Academic Senate Research Committee determines whether requirements for a Higher Degree Research award have been satisfied (refer [Delegations of Authority Register](#)). Based on this determination, the Registrar and the Academic

Senate Research Committee recommend the conferral of awards to the University Council.

(8) In all cases, the Registrar is the approval authority for the content of Macquarie University academic statements and ensures that the documents meet the requirements set out in the [Academic Statements Schedule](#) (refer also [Delegations of Authority Register](#)).

Eligibility

(9) All graduates who have fulfilled the conditions and requirements of an award are entitled to receive the following academic statements:

- a. a Testamur;
- b. an Academic Transcript; and
- c. an Australian Higher Education Graduation Statement (AHEGS), see the [Australian Higher Education Graduation Statement \(AHEGS\) Policy](#).

(10) Academic statements will not be issued to students with an outstanding debt, see the [Fees Rules](#).

(11) Upon conferral of an award graduates are entitled to use the official award nomenclature including Postnominals as documented within the University [Handbook](#).

(12) The University also maintains a [Graduate Register](#) documenting the awards conferred on Macquarie graduates, including the process for verification by third parties.

Obtaining additional or replacement copies of Academic Statements

Testamur

(13) Only one physical Testamur will be in circulation for each award a graduate has received. A replacement copy of a Testamur will not be produced by the University unless specific requirements are met (see [Graduation documents](#) webpage) including payment of the prescribed fee. The Testamur will state if any parts of the course of study or assessment leading to the qualification were conducted in a language other than English, except for the use of another language to develop proficiency in that language.

Academic Transcripts

(14) Official Academic Transcripts can be obtained at any time by a current or former student, including prior to the completion of an award and after graduation, in accordance with the documented process (see [Academic Transcripts](#) webpage) and payment of the prescribed fee.

(15) Current students can also generate an Unofficial Academic Transcript at no cost via [eStudent](#).

AHEGS

(16) Graduates can purchase hard copies of their AHEGS in accordance with the documented process (see [Graduation documents](#) webpage) and payment of the prescribed fee.

Content and Format of Academic Statements

(17) The content and format of academic statements is documented in the [Academic Statements Schedule](#) and the [Australian Higher Education Graduation Statement \(AHEGS\) Policy](#).

Honorary Awards

(18) An honorary award is not an AQF qualification. Honorary awards issued by the University will therefore

unambiguously identify the qualification as an honorary qualification, see the [Honorary Degree Policy](#).

Revocation or Rescission of an Award

(19) The University Council reserves the right to revoke or rescind an award that has been conferred if it is determined that:

- a. the award was conferred because of breaches of academic integrity such as fraud, dishonesty, plagiarism, fabrication or ghost writing, or administrative error (revoke); or
- b. all necessary requirements for the award were not completed (rescind).

(20) The revocation or rescission of an award will be managed in accordance with the [Revocation, Rescission or Relinquishment of an Award Procedure](#), and may result from a finding under the [Student Code of Conduct](#) or the [Student Conduct Procedure](#).

(21) Where an award has been revoked the student must not represent that they were awarded the revoked award.

(22) An award may not be revoked where a student seeks to qualify for a different award, unless there has been an administrative error.

(23) An Academic Transcript or AHEGS may be amended to correct an administrative error, or because of a grade appeal, withdrawal without academic penalty, or academic appeal, as prescribed by applicable University policy or procedure.

Relinquishment of an Award

(24) A graduate may voluntarily request the relinquishment of an award without the need to provide a reason for the request. In such cases the graduate must write to the Registrar, providing certified evidence of identification and specifying the award they wish to relinquish.

(25) Where an award is relinquished, the University requires that all academic statements be returned and that the individual no longer references that they hold the applicable award.

(26) The Registrar will:

- a. arrange for the formal relinquishment of the award in accordance with the [Revocation, Rescission or Relinquishment of an Award Procedure](#) including the updating of relevant University records; and
- b. advise the individual in writing once the University's processes for relinquishment of the award are completed.

(27) Once relinquished, the same award cannot be conferred upon the student again without an application in writing to the Registrar.

Section 3 - Procedures

(28) The revocation, rescission or relinquishment of an award will be managed in accordance with the [Revocation, Rescission or Relinquishment of an Award Procedure](#).
