Academic Progression Procedure

Section 1 - Purpose

(1) This Procedure specifies the procedures and responsibilities relating to the progression of students in an approved course of study, leading to qualification for a coursework award.

(2) In addition to the Academic Progression Policy and this Procedure, all coursework students are subject to the provisions of the General Coursework Rules. Students enrolled in practical, clinical or professional courses listed on Schedule 2: Practical, Clinical and Professional Courses and Schedule 3: Practical, Clinical and Professional Courses with Fitness to Practice Requirements of the Academic Progression Policy are also subject to the provisions of the Fitness to Practice Procedure. These provisions will be applied in addition to a student's Academic Standing.

Scope

(3) This Procedure applies to:

a. all domestic and international undergraduate and postgraduate coursework award students enrolled in Standard Teaching Periods; and
b. Bachelor of Philosophy/Master or Research (first year) students.

(4) This Procedure does not apply to:

a. Higher Degree Research Candidates and (refer to the Graduate Research Rules);
b. microcredentials (refer to the Microcredentials Policy);
c. Macquarie University College students (refer to the Macquarie University College Academic Progression Policy);
d. students enrolled in non-standard teaching periods;
e. non-award students; and
f. cross-institutional students.

Section 2 - Policy

(5) Refer to the Academic Progression Policy.

Section 3 - Procedures

Academic Standing Support Process

(6) Students who fail early or major assessments, or who feel they are not coping with study should seek assistance as soon as possible from academic staff and the support services provided by the University.

(7) Students will receive notifications from the University about their Academic Standing status. This notification may include actions for the student to take to improve their Academic Standing status. Students are encouraged to follow these actions.

(8) Student Shared Services monitors students identified as having an unsatisfactory Academic Standing status and provides activities for identified students to improve their academic performance. Monitoring and activities will be informed by Faculty recommendations. Agreed intervention/action plans will be stored against a student's record and updated following each engagement.

(9) Student progression data will be available for Student Shared Services, Faculties, and others on a periodic basis to monitor Academic Standing to assist with student engagement with learning and teaching activities.

(10) The table below shows the support / requirements for students at different levels of Academic Standing.

Status	Meaning	Support / Requirements
Satisfactory	The student is making good progress, has passed more than 50% of attempted units in the Standard Teaching Period under consideration.	The student will be contacted via their student email through Student Shared Services to advise them of their satisfactory Academic Standing.
Academic Caution	The University is concerned about a student's progress, as the student has not passed more than 50% of the attempted units in the Standard Teaching Period under consideration.	The student will be contacted via their student email to advise them of the change to their Academic Standing to Academic Caution and the requirement to return to a satisfactory Academic Standing. Students will be asked to engage with the academic progression self-refflection tool, students will be able to identify the appropriate support offered by Student Shared Services and/or Faculties to assist with their concerns.
Monitored Enrolment	The student has been on academic caution and is not making satisfactory progress and is in danger of being placed on Academic Pause as the student has not passed more than 50% of the attempted units in the Standard Teaching Period under consideration.	The student will be contacted via their student email to advise them of their Academic Standing as 'Monitored Enrolment' The student will be provided an opportunity to engage in an online learning module or an on-campus workshop which will cover one or more of the following concerns: Time Management Wellbeing Academic Learning Support. The student will be unable to enrol until they have participated in at least one online learning module and/or an on-campus session has occurred.
Academic Pause	The student has been on monitored enrolment and continues to make unsatisfactory academic progress and is required to take a break from studies (two (2) consecutive Standard Teaching Periods), as the student has not passed more than 50% of the attempted units in the Standard Teaching Period under consideration.	The student will be contacted via their student email to advise them of: 1. the University's intention to suspend enrolment; 2. the requirement to take a break from their studies for two (2) Standard Teaching Periods; 3. the right to return to be admitted to the current version of the same course (subject to availability), following the Academic Pause; and 4. the right to an appeal of this decision in accordance with the [Academic Appeals Policy](). The Office of the Pro Vice-Chancellor (Dean of Students) will brief each Faculty at the end of the semester on the students who are on Academic Pause. For students returning from an Academic Pause, the relevant Faculty will develop a 'return to studies' schedule with the student and send it to the student the week after the census date of their second session on Academic Pause. A student returning following a period of Academic Pause can return to studies in either Session 1 or Session 2.

Status	Meaning	Support / Requirements
Probation	Upon return from Academic Pause, a student is on Probation for at least one Standard Teaching Period.	The Office of the Pro Vice-Chancellor (Dean of Students) will contact students on Probation to confirm their status as being on Probation and the need to adhere to the return to study plan as developed by the relevant Faculty and sent to the student the week after the census date of their second session on Academic Pause. The student will be unable to enrol until consultation has occurred and a student success plan has been implemented. The Faculty will inform Course Directors regarding students returning to studies after an Academic Pause to provide support to the student when they return.
Exclusion	A student who is on Probation and has not passed more than 50% of the attempted units in the Standard Teaching Period under consideration. The student's progress and engagement with support services and Faculty has been minimal and as such it is expected that they are unlikely to complete their course and are required to seek re-admission to the University at the end of the exclusion period.	The student will be contacted via their student email to advise them of: 1. the University's intention to exclude the student; and 2. the right to an appeal of this decision in accordance with the [Academic Appeals Policy](#). The Office of the Pro Vice-Chancellor (Dean of Students) will contact students on Exclusion to discuss their student success plan during the time they are on Exclusion. This contact will occur at the time of Exclusion and approximately six (6) months before the end of the Exclusion period. If the student wishes to return to the University following a period of Exclusion, the student must lodge an application for admission with the appropriate Admissions Office in accordance with the [Admission Policy](#) by the deadline advertised, and in the manner prescribed. A student may not apply to study another course at the University during the period of Exclusion. A student who applies successfully for re-admission following a period of Exclusion will be placed on Satisfactory Standing for the initial Standard Teaching Period.
