

# Delegations of Authority Policy

## Section 1 - Purpose

(1) The purpose of this Policy, including its appendices is:

- a. in relation to any matter or class of matters, or in relation to any activity or function of the University, to appoint Delegates to perform those functions;
- b. to establish the requirements for approval and review of Delegations; and
- c. to specify the principles by which Delegations of Authority are exercised.

### Background

(2) This Policy, the [Reserved Powers of Council and Council Committees](#) and the [Delegations of Authority Register](#) are made by resolution of the Council of Macquarie University (the University) pursuant to section 17 of the [Macquarie University Act 1989](#).

(3) Council delegates the functions prescribed in this Policy, the [Reserved Powers of Council and Council Committees](#) and the [Delegations of Authority Register](#) to the bodies, committees, officers and employees stipulated.

### Scope

(4) This Policy applies to the University's bodies, committees, officers and employees.

(5) Teaching and research conducted within the University's controlled entities under the University banner are managed as part of the academic governance of the University.

(6) The Vice-President, People and Services must be consulted in:

- a. any negotiations relating to enterprise bargaining agreements; and
- b. any forced terminations of employment in controlled entities.

(7) All other decisions relating to the University's controlled entities are made in accordance with the [Controlled Entities Policy](#).

(8) The [Delegations of Authority Register](#) is not the source of all authority. Council may make Delegations in relation to any of its functions, including those in the [Reserved Powers of Council and Council Committees](#) in Appendix 1.

(9) University bodies, committees, officers and employees may engage in activities which are not covered by the Delegations of Authority Framework, if it is reasonable for them to infer that the University authorises them to engage in those activities (for example, from position descriptions, terms of reference, policies, procedures, guidelines, the [Macquarie University By-law 2005](#) and Rules).

# Section 2 - Policy

## Part A - General Principles

### Delegation

(10) A Delegation relates to the Delegate's office, or position, not to the individual in that position. Similarly, where a Delegation is to a body by reference to the body's title, it relates to the body acting as a body, not to individual members of the body.

(11) A person duly appointed as a temporary or acting occupant of an office has the authority Delegated to the position in which they are acting, unless otherwise specified in the [Delegations of Authority Register](#).

(12) A Delegation to a position or to a body, if the position or the body is abolished, has a change in name or a change in structure, is to be regarded as referring to the successor to the functions of that position or body.

(13) Unless the context requires otherwise or unless otherwise specified (for example, Band C+ or Band D+ approval levels):

- a. a Delegation applies only to a Delegate's accountability area; and
- b. the Delegation to approve includes the Delegation to rescind, vary or terminate.

(14) A specific or particular Delegation will prevail over a general Delegation.

(15) If the exercise of a function requires the exercise of some preliminary, incidental or ancillary administrative function, then the Delegation extends to the exercise of that function.

(16) In the event of any inconsistency between a policy approved by Council or a resolution of Council which predates the [Delegations of Authority Register](#), the [Delegations of Authority Register](#) prevails to the extent of the inconsistency.

(17) A Delegate who is ultimately subject to the direction and supervision of the Vice-Chancellor through established lines of accountability is, in the exercise of Delegations, also subject to the direction and supervision of Delegates more senior than the Delegate in the lines of accountability.

(18) Delegates more senior in the lines of accountability to a Delegate named in the [Delegations of Authority Register](#) may exercise a Delegation conferred on that named Delegate but only in accordance with its terms.

(19) In exercising a function a Delegate may seek appropriate advice in order to be properly informed. However, the Delegate must exercise the Delegation without any undue influence by any other body, committee, officer or employee.

(25) A Delegate may sign any document which is necessary to give effect to their function or authority, including a legally-binding agreement (other than deeds), except where the authority to execute is specifically delegated to others in the [Delegations of Authority Register](#). If a Delegate is a committee or other body and the body has authority to execute a document, the document may be executed by:

- a. the chair or their nominee; or
- b. if there is no chair, a person whom the body resolves may execute the contract on behalf of the body.

(26) Notwithstanding the above, only employees and officers appointed under a formal Power of Attorney may execute deeds.

## Calculating Cost of a Transaction

(27) In exercising a Delegation with respect to a transaction, the Delegate must estimate the cost of the transaction as a whole, over the term of the transaction. For the purpose of making this calculation, the following principles apply:

- a. a transaction must not be assessed in components or parts, such as instalments, tranches, or the cost of individual items;
- b. the total gross cost of the transaction (excluding GST) must be estimated; and
- c. no reduction may be made in respect of any set-off, trade-in or the like.

## Authorised Agents

(28) Delegates identified in section 2 (Finance and Property) of the [Delegations of Authority Register](#) are not permitted to authorise another officer or employee of the University to exercise their function as an Authorised Agent.

(29) For Delegations listed in the remaining sections of the [Delegations of Authority Register](#) and where appropriate, the Delegate is permitted to authorise another officer or employee of the University to exercise their function as an Authorised Agent for or on their behalf if it is impracticable for the Delegate to act otherwise than through others, subject to the following:

- a. the authorisation may be general or limited;
- b. the authority must be given in writing signed by the Delegate and may be revoked in whole or in part in writing signed by the Delegate;
- c. the Authorised Agent must exercise the authority in accordance with any requirements stated in the [Delegations of Authority Register](#);
- d. the Authorised Agent may, in exercise of that function, exercise any other administrative function that is preliminary, incidental or ancillary to the authorised function;
- e. the Delegate remains responsible for ensuring that the authority is exercised properly by the Authorised Agent;
- f. a function duly exercised by an Authorised Agent is deemed to have been exercised by the Delegate;
- g. if a particular officer or the holder of a particular office is authorised to perform the function:
  - i. the authorisation does not cease to have effect merely because the person who was the particular officer or the holder of a particular office when he or she was authorised to perform the function ceases to be that officer or hold that office; and
  - ii. the person for the time being occupying or acting in the office concerned is taken to be the Authorised Agent; and
- h. the Delegate may still perform a function even if they have appointed an Authorised Agent to do so.

(30) Delegates will normally only appoint an Authorised Agent to act on their behalf where permitted, for a single exercise or in the short term. Refer to the [Delegations of Authority Procedure](#) for detail.

## Conflict of Interest

(31) A Delegation or authority cannot be exercised where the Delegate or Authorised Agent has a conflict of interest. This includes, in particular, where the Delegate or Authorised Agent would obtain a personal benefit of some material kind.

(32) Delegates and Authorised Agents must not approve matters including their own appointment, remuneration, payment or reimbursement, promotion, transfer or secondment, travel, absence or termination.

(33) Delegates and Authorised Agents must not approve matters relating to family members and / or others with whom they have a close personal relationship.
