

# RESEARCH RISK REVIEW PROCEDURE

## APPENDIX 3: RESEARCH RISK REVIEW TOOL FOR RESEARCHERS

The following flow-chart helps identify when a research activity is likely to require research risk review.

1. Macquarie University provides resources on the Australia's Foreign Relations Act at <https://wiki.mq.edu.au/pages/viewpage.action?spaceKey=nsd&title=National+Security+and+Defence+Home>

2. Macquarie University provides resources on the Defence Trade Controls Act at <https://staff.mq.edu.au/research/integrity-ethics-and-approvals/defence-trade-controls-act>

3. Macquarie University provides resources on intellectual property at <https://staff.mq.edu.au/research/commercialisation/develop-your-idea>

4. The Department of Foreign Affairs and Trade Consolidated List is available at <https://www.dfat.gov.au/international-relations/security/sanctions/consolidated-list>

5. Advice should be sought from the National Security and Defence Team at [foreign.relations@mq.edu.au](mailto:foreign.relations@mq.edu.au)
