(12) Payment of parental leave may be requested on a normal fortnightly basis at full pay or half pay or a combination of both.

(13) Staff members (excluding long-term casuals) who return to work within the twenty-six (26) week period of paid parental leave may bank the difference. This leave can be used, with the agreement of the Executive Dean / Head of Office, up to the Child's second birthday.

(14) Fixed-term contract staff members whose contract and employment ends before the paid parental leave finishes, will be paid the remainder of their entitlement as a lump sum payment, together with their final payment.

(15) Where a staff member's partner is employed by the University, paid leave may be shared up to a total of twentysix (26) weeks.

(16) Where a staff member has taken partner's leave at the time of birth or adoption, the staff member's parental leave entitlement will be reduced by that amount.

#### **Unpaid Leave**

(32) Parental leave without pay will count as service for incremental progression purposes.

- a. when a period (or periods) of leave without pay exceeds in aggregate fifteen (15) working days for full-time staff members (pro-rata for part-time staff members), the increment date will be advanced by a period equivalent to the whole period of leave without pay;
- b. when a period (or periods) of leave without pay exceeds in aggregate fifteen (15) working days for full-time staff members (pro-rata for part-time staff members) in any calendar year, the period of absence from duty will not be counted as service for the accrual of annual leave in that period. Entitlements to annual leave loading will be adjusted in the same way; and
- c. when a period (or periods) of leave without pay exceeds an aggregate of six (6) months, the excess over six (6) months will not be counted as service in determining the total service for long service leave purposes.

In these cases, the University will contact the staff member with respect to any possible impacts that the changes may have on the staff member's current position. The provisions outlined under Schedule 4 of the Macquarie University <u>Enterprise Agreements</u> will apply.

(38) If a staff member's former position no longer exists, the staff member is entitled to return to an available position for which they are qualified and suited that is nearest in status and pay to their previous position.
